SCAN ME

### CYCLONE ALFRED

Bit late but we would like to put out a big thank you to everyone for their patience and understanding during the craziness of Alfred. We are so thankful that families remained safe and for everyone's understanding with closures :)

## Easter Fun

### VACATION CARE

We had a jam packed two weeks full of fun craft, games and excursions for the kids. Keep an eye out on the Facebook page for pictures from each of the experiences!

Just a reminder to book in quick for our next one when the program comes out as we had a waitlist this time around for Easter.

## Reminders

Make sure to fill out activities permission forms for any of the external providers for ASC or BSC as we head into the new term!

Turn on notifications for KT Connect for notices of injury reports and messages from admin.
